

Brandywine Motorsport Club
***Bare Branch Bivouac at
Betterton Beach***

Saturday, November 21st, 2015

This is an easy rally of about 50 miles, and is designed as a fun way for our group to drive to a nice restaurant in Betterton Maryland. "Barbara's on the Bay" is located at Rigby Bluff which offers a great view of the Sassafras river and Chesapeake Bay. The drive is a pleasant romp through farmland and vast open spaces, and some of the region's equestrian operations. (Also the same roads that our own "Duke" Wilford used when learning to drive.)

The restaurant is farm-to-table and has a diverse menu. Prices are reasonable and meals are filling. Craft beers are featured and outdoor dining on their deck is available.

For rally purists, this is an opportunity to let your hair down and enjoy a relaxed afternoon's drive. Whether rain, sleet, snow, sunshine or any combination of same, this outing has the potential to be a great time for a great group of like minded enthusiasts.
